

# Please Pay Attention to the Following When You Study at Japanese Language Classes

## Before Coming to Class

Take your temperature. Do not come to class if you have a high temperature, a cold, or are coughing.

If you came from overseas to Japan, or if your family has returned to Japan from overseas, please study at home and do not come to the class for 14 days.

Take care to prevent catching the Novel Coronavirus (COVID-19) as you study in class.

## In the Classroom

Wash your hands with soap before you enter the classroom.

Wear a mask in the classroom.

Keep at a distance when talking to others.

Open classroom windows to allow air change.

Clean the classroom when you finish studying.

## Upon Returning Home

Upon arriving home, wash your hands with soap, and then gargle.

## When Concerned About the Novel Coronavirus

Please scan this code with your phone if you have a concern regarding the Novel Coronavirus.

You can also visit the Matsumoto

Multicultural Plaza for a consultation, which is located on the 3rd floor of this building.
